RE: Discussion of Transportation 2035 Joint Advisor Workshop

As you know, MTC's advisory committees have met jointly twice already to discuss possible regional projects for submission to MTC's Transportation 2035 Call for Projects.

The third joint meeting of the advisors will be held on the same day as our meeting (just prior). The focus of this meeting will be to discuss potential policies the advisors would like to recommend to the Commission in conjunction with the Transportation 2035 plan.

At your meeting next Tuesday, MCAC will continue the discussion begun at the joint advisor meeting, focusing on those policies of most importance to MCAC. A list of potential items will be mailed as part of the packet for the Joint Advisor Workshop. We will use that list as a catalyst for the MCAC discussion, and will solicit any new items for inclusion on the policy list.
